

# COMMUNITY MATTERS

*For the good of our community*

Natalie Meixner, President and CEO, Richmond Hospital Foundation (left), presented the 2015 Community Cares Award to Raymond Li, Aspac's Senior Vice President (right) at the 2 River Green Presentation Centre during the Community Cares Month Celebration Event.

## ASPAC UPHOLDS SPIRIT OF GIVING, SUPPORTING RICHMOND HOSPITAL WHEN CODE BLUE EMERGENCIES STRIKE

**A** great community requires strong leadership and investment, and when it comes to local health care here in Richmond, Aspac Developments has proven itself on both counts. World-class in style and scope but with deep community roots, Aspac is a true champion as a sponsor, donor and community leader over many years to help improve care at Richmond Hospital.

Aspac is a renowned developer of luxury properties and 2 River Green is its latest iconic development. Since 2011, Aspac has been the Presenting Sponsor of Richmond Hospital Foundation's Golf Tournament

which will be held on June 5 this year. "Everyone needs high quality health care, whether it's for an emergency or any other health care issue we might face," says Raymond Li, Aspac's Senior Vice President. "We want to ensure that our community remains healthy and has access to modern hospital facilities to serve the growing population here in Richmond."

This year, the Fund-A-Need portion of the Golf Tournament will help raise funds for much needed equipment to help our medical teams respond to the most serious type of emergency they encounter at Richmond Hospital: a Code Blue emergency. Code Blue is an international standard code

for when a patient goes into cardiopulmonary arrest and needs emergency resuscitation in order to survive. Code Blue emergencies can strike at any time and in any area of the hospital. Last year there were a total of 37 Code Blue emergencies at Richmond Hospital. With dramatically increasing numbers of patients and emergency visits, at the current rate, Richmond Hospital will see 40-50 Code Blue emergencies this year.

With stunning panoramic vistas of the Gulf Islands, North Shore Mountains and the Vancouver skyline, 2 River Green is the largest and most upscale master-planned community ever built in Richmond, and with the first

two towers 95% sold, Aspac is readying itself for the new towers at 2 River Green.

Throughout the years, Aspac has continued to go above and beyond, not only giving of its own resources but actively encouraging others to donate or become sponsors as well. "We always want to set an example with our investments in our community," says Li. "We want to encourage others to donate, to sponsor and to participate to do whatever one can. It is our hope to foster a spirit of giving and inspire others."

Help support the health of Richmond residents and make a donation to help those in need of care.

If you would like more information about making a donation, please visit [richmondhospitalfoundation.com](http://richmondhospitalfoundation.com) or call us at 604.244.5252

**Q**

How can you and your company get involved in improving health care in Richmond?

**A**

To take an active leadership role to support Richmond Hospital, please contact Richmond Hospital Foundation to learn more about sponsorship opportunities to help purchase new medical equipment, improve patient care services and help save lives right here at home.
