Nature's Essence Health Products Inc. donates \$20,000 to Richmond Hospital Foundation

Celebrating their 20th anniversary, Nature's Essence Health Products Inc. donated \$20,000 to Richmond Hospital Foundation on September 14 to help improve local health care at Richmond Hospital.

Established in 1997, Nature's Essence opened its first location in Richmond and has since expanded its reach both locally in the Lower Mainland and over to Ontario. Nature's Essence considers health a cherished value and hopes to inspire joyful giving by contributing back to the community of Richmond which they call home.
