North American Jimei Alumni Association donates \$10,000 to Richmond Hospital Foundation

In celebration of their 5th anniversary, members of the North American Jimei Alumni Association presented a cheque for \$10,000 to Richmond Hospital Foundation on September 21, 2017. Giving back to the community is an important value to the alumni from Jimei Primary School, Jimei Secondary School, and Jimei University in China who now consider Canada their home. With their collective donation, they hope to inspire other associations and organizations to play an active role and help support local health care at Richmond Hospital.

Left to right: Kai Yan Shen, Tom Liu, Richmond City Councillor Chak Au, Natalie D. Meixner, President & CEO, Richmond Hospital Foundation, Shao Hong Chen, President of North American Jimei Alumni Association, Ken Xu, and Gui Yang Chen.
