### Press Release

#### **Vancouver Metropolitan Lions Club Staged “A Golden Elvis Serenade” To Raise Fund for Richmond Hospital Foundation**

Vancouver Metropolitan Lions Club announced that “A Golden Elvis Serenade” will be staged next Monday, January 16, 2012 at the River Rock Show Theatre. This is the fifth annual fundraising event to raise fund for the Richmond Hospital Foundation.

Lion Kim Chau, the President of Vancouver Metropolitan Lions Club said, “We decided to choose Richmond Hospital Foundation as the recipient of this event because we are certain that our fund will be used for the most urgent equipment, facility and patient care needs. Richmond Hospital serves the most densely populated Chinese community in Greater Vancouver, we hope our contribution will assist with the upgrade of its services.”

Lion John Pak, Co-Chair of the Event said, “Over the last four years, we had organized four fundraising concerts for Richmond Hospital Foundation. We have bought in famous artists from Hong Kong to perform for us. This time we are honored to feature a local artist, Mr. Wally Tiemer, who is one of the most renowned Elvis Presley’s impersonators in North America. He and his 11 piece band will bring us back to the golden music of Elvis in a most enjoyable evening.”

Lion May Ho, Co-Chair of the Event said, “We are pleased to receive generous sponsorship from local business and individuals. Many of them had supported us for many years already. Apart from cash sponsorship, we also received many valuable items for our silent auction for the evening, including a 51 inches HDTV, dinner vouchers, jewelries and watches... etc.”

Dinner tickets are available at \$100 or \$150 each. There are also some balcony seats available for the show only, ticket at \$32 each. For ticket availability, please contact 604-671-3093.
