White Spot Does It Again – 8 Years Running! Christmas Day proceeds to Richmond Hospital Foundation’s Emergency Campaign

Richmond, B.C. –White Spot - Richmond Centre will be hosting its 8th annual Christmas Lunch benefiting the Richmond Hospital Foundation. Each year, owner Prakash Janadra and his dedicated staff donate not only their time, but 100% of the restaurant proceeds including tips!

This year, the funds raised will go towards the Richmond Hospital Foundation’s Emergency Campaign in support of critically needed medical equipment for our emergency department including a new pediatric resuscitation room.

Since 2002, the cumulative total of White Spot-Richmond Centre’s giving has reached a grand total of \$43,000. With the addition of funds raised this year, they hope to break \$50,000!

“The Richmond Hospital Foundation is truly grateful to Mr. Janadra, his family, and staff at White Spot. Each year the team pulls together to provide a fantastic event enjoyed by so many people. And their generosity is overwhelming; to choose Christmas Day to give back to the community is wonderful.” says Lisa Westermark, CEO Richmond Hospital Foundation.
