Country Meadows names winner of annual Easter Golf Tournament: The Richmond Hospital Foundation!

In a cheque presentation earlier today Harry and Susan Hogler, owners and operators of Country Meadows Golf Club, presented a cheque for \$6,129.70 to The Richmond Hospital Foundation.

The money was raised at the annual Easter Golf Tournament on Easter Sunday. Since the event was first held in 2002, it has raised over \$38,000 to fund vital medical equipment and improve care at Richmond Hospital.

“We are grateful that Harry and Susan Hogler have chosen to support us year after year,” says Lisa Westermark, Executive Director of The Richmond Hospital Foundation. “Their commitment to their community is truly outstanding.”

Established in 1987, the Richmond Hospital Foundation is a registered charity that is committed to raising money to fill the gap between government funding and the greater needs of our hospital. The foundation is governed by a Board of Trustees who represent a broad spectrum of the community.
