ASPAC CHAMPIONS LOCAL HEALTH CARE IN RICHMOND

Communities have their champions. And when it comes to supporting local health care, Aspac Developments Ltd. has proven itself to be a leader and advocate here in Richmond.

“At Aspac, we are committed to building communities. We have chosen to be a loyal donor and sponsor to ensure that Richmond gets the best local health care it deserves,” says Raymond Li, Aspac’s Senior Vice President. “State-of-the-art medical equipment, facilities, and knowledgeable staff are what keep a community strong.”

Aspac Developments Ltd. is a local developer of world-class properties

and 2 River Green, its latest iconic development, offers quality without compromise in luxurious waterfront condominiums with stunning panoramic vistas of the Gulf Islands, North Shore Mountains and the Vancouver skyline.

Since 2011, Aspac has been the Presenting Sponsor of Richmond Hospital Foundation’s Golf Tournament which will be held on June 6th this year. “Aspac Developments has always had a strong health and wellness mandate for its own projects and supporting the Richmond Hospital Foundation is just an extension of that,” says Li.

The Fund-A-Need portion of the 2016 Golf Tournament will raise vital resources to help purchase state-of-

the-art equipment for the Richmond Hospital Emergency Department. Last year, the Emergency Department cared for more than 54,000 patients, which was a five percent increase over the previous year.

Like true community champions, Aspac is keen to go above and beyond, not only giving of its own resources but actively encouraging others to donate or become sponsors as well. “We invite all local businesses who have not yet supported the Richmond Hospital Foundation to join us in donating to this wonderful organization,” says Li. “Help us improve local health care for everyone in our community in Richmond.”

Help support the health of Richmond residents and make a donation to help those in need of care.
