VANCOUVER DIAMOND LIONS INSTALLATION GALA RAISES OVER \$8,000 FOR THE RICHMOND HOSPITAL ACUTE CARE TOWER.

Members of the Vancouver Diamond Lions Club presented the cheque to Endora Fan (back row, third from left), Senior Development Manager, Richmond Hospital Foundation, and Verna Yu (back row, second from right), Associate Director of Special Events, Richmond Hospital Foundation.

The Vancouver Diamond Lions Club has generously donated over \$8,000 to Richmond Hospital Foundation in support of a new Acute Care Tower in Richmond through their 13th annual installation and charity dinner.

Over the past 10 years, the Vancouver Diamond Lions Club has been a supporter of the Richmond Hospital Foundation and has raised over \$300,000 towards patient care. Inspired by their belief that health care is a priority and will be a need for most people for years to come, the Vancouver Diamond Lions Club is dedicated to bringing high quality health care services to patients in the community of Richmond.
