PACIFIC PLAZA GIVES BACK TO THE COMMUNITY BY DONATING \$22,800 TO RICHMOND HOSPITAL FOUNDATION

With a strong belief in being a philanthropic leader and supporting health care in their community, Pacific Plaza and AA Property Management had raised \$22,800 for Richmond Hospital Foundation. The strata council members of Pacific Plaza see the need for up-to-date infrastructure and state-of-the-art equipment for the medical team at Richmond Hospital. The members recognize the impact their donation will have for the community of Richmond and the importance of supporting local health care to help build a healthier future for Richmond.

Joyful Giving. Joyful Living.

Richmond Hospital Foundation

For over 30 years, Richmond Hospital Foundation has raised over \$100 million to help fund vital medical equipment, improvements in patient care services and upgraded facilities. Our goal is to inspire joyful giving within our community to build a better and healthier future for Richmond.

ACT NOW Campaign

Richmond Hospital urgently needs a new Acute Care Tower to replace the original hospital tower, which is more than 50 years old, seismically unstable and obsolete with severely deficient infrastructure unable to meet the needs of Richmond's dramatically growing and aging population. More in-patient beds, larger operating rooms and a "future-ready" design will be just some of the many innovative features in the tower. Richmond Hospital Foundation's goal with its ACT NOW campaign is to inspire giving to raise at least \$50 million in philanthropic commitments to help fund a new Acute Care Tower at Richmond Hospital.
